"Reattore a lamina per la pirolisi di combustibili solidi e liquidi"

The screenshot shows the website for the Stazione Sperimentale per i Combustibili (SSC). At the top, there is a navigation bar with the site's name in Italian and English, and links for "Chi siamo", "Dove siamo", "Mappa del sito", "Scrivete", and "Links". The main content area features a central image of a laboratory with a scientist working at a microscope. Surrounding this image are several key service areas: "Analisi", "Ricerche", "Consulenza", "Formazione", and "Documentazione". To the right, there is a "NEWS" section with a list of topics: "Combustibili fossili", "Fonti energetiche alternative", and "Prodotti industriali". At the bottom, there is a copyright notice for 2000-2001 and contact information for the SSC in San Donato Milanese, Italy.
